

# Strategies that work

They are working right now as you read this...  
in the lives of people who've learned from Michael already.

**It's working** in homes that are happier.  
In relationships that are more fulfilling.  
In businesses that are **GROWING**,  
in organizations that are bringing change.  
and in the **LIVES** of those individuals that are  
**RIGHT NOW** making it happen all over the world.
